BECOME A PATRON

Together, we can create a world-class event that helps build the 'cultural capital' of our hometown. The Gary International Black Film Festival (GIBFF) is Gary's hometown cultural event that supports community building by bringing audiences and artists together through film.

This annual, 3-day event presents films from independent filmmakers, panel discussions, matinee screenings for middle and high school youth and in-depth chats with filmmakers, industry professionals and local community leaders. Your support helps us bring thoughtful independent film screenings a catalyst for positive, community-based cultural engagement.
